

Submitter: Clay and Janet Simon
On Behalf Of: Emergency grant
Committee: House Committee On Emergency Management, General
Government, and Veterans
Measure, Appointment or Topic: HB3870

As 25 yr residents of Mosier, we urge your committee to support and fund our proposed City Command Center for \$2,5 million.
We recently had a close town fire which resulted in the issuance of fire evacuations notices to be issued. A temp command post had to be set up to coordinate the fire fighting. Prior to that, several years ago there was a major railroad derailment which required coordination of .many different agencies again via temp command posts. There are other normal occurances for traffic accidents, tourism inquiry etc that would benefit from a central building location. Your legislative funding assistance would be much appreciated and needed. Thank you. Clay and Jan Simon
