

Submitter: Marty Kuhrt

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Judicial Watch is suing Oregon because the voter rolls are filthy. They don't sue unless they know they can win. They have won 100% of their voter roll cases nationwide.

The only way to fix it is to have one day, in person, ID mandatory, voting. Like it used to be before vote by mail.
