On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or
Topic: SB80

Factory Farming is so prevalent that contamination of water, disposal of waste (or no disposal) for profit outweighs any consideration outweighs the needs of the planet. Wildlife, human beings, the environment are dependent upon the environment for health and our environment is in danger of being overwhelmed by ignoring danger signs.

Please support SB 80. Vote for a Healthy environment for all living Beings! Thank You
