

Submitter: Dave Ganslein  
On Behalf Of: Concerned Motorcyclists Coalition  
Committee: Joint Committee On Transportation  
Measure, Appointment or Topic: HB3542

I Support HB3542.

It would allow motorcyclists additional safety during times of traffic congestion.

I have been jeopardized many times by rapidly approaching traffic.

Bicyclists are awarded many exemptions to traffic laws for no other reason than their convenience.

HB3542 would save motorcyclists lives.

YES ON HB3542
