

Submitter: Theresa Russio

On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or  
Topic: SB80

I oppose the issuing of a permit to animal confined feeding operations, which may contaminate ground water nearby, which is close to protected habitats. Our groundwaters must be kept clean for human consumption. Many of our groundwaters here in Oregon are already polluted by industrial waste. There is no reason to create more contamination
