

Submitter:

Julianna Nader

On Behalf Of:

Committee:

Senate Committee On Judiciary

Measure, Appointment or Topic:

SB243

We must protect our children and indeed --adults from gun violence. I SUPPORT SB243 and all bills that limit the sale of guns, especially AR type which are for war ONLY! Sellers must be held accountable for not following the laws already in place. They need to be inspected OFTEN!!!

Do the right thing and pass the upcoming Gun bills! THANKS
