

Submitter:

Christine Beaulieu

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Voting by mail works efficiently and is safe (there has been no evidence of major fraud in Oregon's history with it), and makes it SO much easier for a higher percentage of people to vote without inconveniencing their otherwise busy schedules/lives. Please ***PLEASE*** don't take that away from us!!! I strongly urge my lawmakers to oppose SB210.
