Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or
Topic: SB80

I am writing to support SB 80. I live in Springfield and often travel across Oregon. This action is needed to protect farm animals and all of our groundwater in Oregon. Please support SB 80. As a 5th generation Oregonian, with family members that have farmed, hike and camp across Oregon, this is critical and I care deeply about the bill. Thank you, Patricia
