Measure, Appointment or Topic: SB243

In support of raising age to 21 (18-year-olds should not be able to buy military grade weapons), 72 hour waiting period (to put time and space between purchasing a gun to harm others or harm themselves) and ban rapid fire device add-ons (no one needs it to kill a deer). These measures will help reduce the cost of gun accidents and shootings for medical, rehabilitation and counseling treatment not to mention police and emergency services.
