

Submitter:

Sheila Thompson

On Behalf Of:

Committee:

Senate Committee On Judiciary

Measure, Appointment or Topic:

SB243

First I want to point out that as an Oregon tax paying citizen, I feel as though the legislature is making decisions and not listening to those of us who hired you. Gun laws do not, I repeat do not stop criminals it only affects those of us who are your constituents. I oppose this bill, on 2A, financial, inconvenience levels.
