SB210

I strongly support SB 210. We should go to a polling station in our precinct and vote in person . VBM invites fraud to dinner 7 days a week. Vbm offers zero verification of identity or citizenship status. Vbm offers zero chain of custody.

It's quite revealing that since VBM began there have been no Republican governors and very few Republicans in the executive branch.

The other noticeable trend since then is the alarming number of new taxes, new regulations, and the outright theft of our rights as US citizens. Makes it very hard to believe that our elections are free, fair, and transparent.

ABSOLUTE YES ON SB 210.
