

Submitter: Jeremy McQuain

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB243

I am writing in opposition to amendment 27451, requiring waiting periods and permit to purchase on firearms. To impose these on the citizens of Oregon is an assault on our liberties as repugnant as imposing a poll tax and literacy test to vote, or a government approved grammar check and waiting period to publish an article. Please vote no on this amendment, and this measure.
