

Submitter: kim d

On Behalf Of:

Committee: Senate Committee On Energy and Environment

Measure, Appointment or Topic: SB1067

I am writing to express support for SB1067. As a Salem resident, I have been subjected to emissions from a trash burner for far too long. It is quite feasible that Marion County will attempt to assume operations of the incinerator in Brooks. Let's give towns and cities the choice of how their waste is handled. Please pass SB 1067.
