

Submitter: Tiffany Grantom

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I would love the opportunity to vote in person in all future elections! There are legitimate questions about the integrity of our elections and every one of those questions could be answered by reinstating in person voting.

Every public servant, whatever party they may claim, benefits from the confidence of the public - once the integrity of our elections has been restored.

Let's go back to in-person voting!
