I strongly support elimination of Oregon's VBM.

Without in-person ID verification, the risk of fraudulent activity increases greatly. Oregon has already proven to have registered illegal immigrants through DMV registration. And, faith in the security of Oregon's elections is at an all time low. Not to mention our dirty election records, that Oregon seems to refuse to clean up. I am a registered Libertarian, and even I have to question WHY Oregon has not had a republican governor since 1982.

It's time to do away with VBM in Oregon.

It's time to restore faith in Oregon's elections again.
