There is ZERO Transparency with Mail-In Voting and EVERYBODY knows it is RIPE for CHEATING. IT must stop in Oregon and the entire United States. We The People deserve to have CLEAN AND SECURE ELECTIONS. We The People deserve to have faith that our sacred right to vote - that is ONLY for citizens of the United States - is not defrauded by unverified and/or stolen ballots. We The People deserve one-day voting, IN PERSON, paper ballots and most importantly PROOF OF CITIZENSHIP AND VOTER ID. END MAIL-IN VOTING TODAY.

Thank you.
