Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I am strongly supportive of this bill to end vote by mail and require in-person voting with verifiable government issued ID for Oregon residents only. Oregon's elections have been corrupt for too long. Voter fraud is rampant. We must clean our voter rolls and restore election integrity. I find it fascinating that Oregon has been completely controlled by Democrats since vote by mail went into effect. Coincidence? I think not.
