Letter in Support of Oregon SB210.

As a resident of Medford Oregon, I submit this letter of testimony in full support of this bill. It is a fact that election fraud is impacting voting integrity and must be cleaned up.

Voter rolls, mail-in Voter fraud, and the lack of verified voter ID are the main problems. Oregonians deserve to know that their vote counts and is not being subverted by fraud or negligence.

I respectfully submit this letter of support.
