

Submitter:	Josiah Woods
On Behalf Of:	Law abiding gun owners and future owners of Oregon
Committee:	Senate Committee On Judiciary
Measure, Appointment or Topic:	SB243

This garbage needs to stop. You are blatantly trying to steal God given rights from us law abiding citizens. We will not stand for this. Focus on the real problems - home life, mental illness, security at schools & poverty. Stop wasting time & money in ridiculous, unhelpful bills, put your efforts into actual solutions. These bills are a waste of time and taxpayers money. It's time for change !
