Committee:

Senate Committee On Judiciary

Measure, Appointment or Topic:

SB243

Greetings

Thank you for the opportunity to speak on this Bill. Please, vote no on SB243. I ask again do not make nit even harder for law-abiding citizens to protect themselves.

Criminals and killers could care less about laws. All this will do will make it tough on everyday folks and even make most criminals with the passage of this. I ask again to please vote no!

Thank you
