

Submitter: Lola Cowgill

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Let's get Oregon back on the track of doing what is best for all the citizens of this state. Voting is a right for all legal citizens and if you have to hide that fact, then that is something to be investigated. I am not ashamed to go to the polls and prove that I am an American citizen and a native Oregonian. thank you, Lola Cowgill
