

Submitter: Warren Norberg

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB243

To whom this may concern,

I just want to state that I am against SB 243. Since most gun involved deaths in Oregon are due to suicide not homicide I Believe that SB 243, misses the point. I believe that whatever effect it does have will be minimal except for putting law abiding citizens at more risk in the long run . I also don't believe the taking away citizens rights is the way to handle it. Warren Norberg.
