Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I have been a registered voter in Oregon since 1968. I have voted in person and by mail. While in the military I voted from Georgia and a little island in the middle of nowhere in the Pacific. I have 4 children, 3 OR 1 VA residents, 2 daughters in law, 3 grandsons & 2 granddaughters who are all registered voters, (though not all registered in Oregon). several more that haven't reached the age of 18, yet. You can bet your sweet bippy that as soon as they are eligible, I will be on their case to register. Two children are, or were in the military, a son has voted from Camp Lejeune, Camp Pendelton, Guam, Kandahar, Fallujah, and Quantico, our daughter has voted from Qatar, Okinawa, and Georgia. Oregon was the first state to implement "Vote by Mail". We are leaders in progressive democratic ideals and institutions. SB 210 is an aberration and should be relegated to the trash bin of political ineptitude. I urge you to reject this mistaken proposal.

Sincerely

Alan P. Halstead
