

Submitter:

Suzanne Pflaum

On Behalf Of:

Committee:

Senate Committee On Judiciary

Measure, Appointment or Topic:

SB243

It's outrageous that it's easier for young adults to get a military style weapon than a beer in this country! We know that brains are not fully developed before age 21 (and actually not until even later) but yet a teenager can currently buy an assault weapon without delay. Please support SB243 and protect students especially who should not have to fear for their lives while learning!
