Dear members of the Joint Transportation Committee,

I support HB 3542 for the safety of my sons. Lane splitting will give them one less danger to worry about on the road. As a parent, the safer they are on the roads, the more peace it brings me.

As a nurse who has worked in an ER and taken care of many motorcyclists who have been in traffic accidents, I believe HB 3542 will work to keep them safer as well.

Thank you for your time,

- Dawn Marten, MSN, APRN-NP, CNM
