

Submitter: Bernie Klein

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB243

I'm opposed to any legislation that takes away our 2nd amendment rights as a solution to a societal problem that is better addressed as a mental issue and family foundational breakdown issue and many other root causes. Limiting law abiding citizens rights will not solve the crisis that has only escalated with legalization of drugs, petty crimes and general lack of accountability in our schools. Thank you for your time
