

Submitter: Cynthia Epifanio

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I am in support of SB210, in person voting.

I believe that the in person voting will cut out a lot of those that either don't live here or those that others are filling out for those that are incapable. I believe this is the best way for our state and country.

Thank you for hearing what I have to say about this bill. Please consider all of us supporters..
