

Submitter: Tony Oliver

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB243

Good Day

Restricting firearms does nothing to prevent violent crime or misuse of firearms. Crooks and violent offenders are not deterred by laws and they have access to guns without worrying about a three day "hold back". In England, the government banned guns so criminals went to using knives. Now they are banning knives. However, it is easy to make knives so the criminals are not deterred. People intent on causing harm always can access to weapons of some sort or another.

Allocate money for mental health

Thank you
