SB210

Good afternoon:

Passing of this bill is sorely needed. It will provide a way to ensure election integrity. We know there are problems in our voting system as the Judicial Watch has filed a lawsuit against the State of Oregon. The fallacy of thinking "non-white" people would have a difficult time coming up with a valid ID is racism as it core. Cashing a check requires photo ID and those without checking accounts are required to show ID. When I make a deposit, I must show ID. When I fly, I must show ID. Please pass this bill.
