

Submitter: Randy Tennant

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB243

More rules for the law abiding gun owner serves no purpose to put an end to gun violence. SB 243 is too vague and create confusion and chaos for CHL holders. I moved out of my parents home when I was 18 and if I can be tried as an adult, Serve my country and believe I deserve my constitutional right to own a firearm
