

Submitter:

Ashley Coleman

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Voting by mail or via dropbox is one of the best parts of living in Oregon! Forcing everyone to vote in person would cause a much lower voter turnout. People will have to take off work to go and vote, and I bet a lot of employers would not give paid time off to do so. Don't go back to the dark ages!
