For to long people have abused mail in ballot. There's no checks for voting verification. Anyone can fill in the ballot and have the ballot recipient sign. No identity needed. I want to walk in my polling place show my identification card and vote. It is a privilege to vote and I want my privilege back. In my opinion mail in ballots are ruining the state of Oregon. I'm not the only one that thinks that walk in voting should return. Thank you for your consideration and your time.
