SB210

I am testifying to oppose SB 210, that is trying to make in-person voting on Election Day the standard for voting in Oregon. I adamantly oppose this proposal because in-person voting only would make it difficult or impossible for a majority of Oregon voters to be able to vote. It would be unjust and unfair to take away the ability for voters to vote by mail-in ballot, which is the current, successful standard for voting in Oregon.
