

Submitter: Aisha Young

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Senators,

I urge you to oppose SB 210. In-person voting is cumbersome and discouraging. Bills like this raise the barriers to voting. Oregon's mail-in voting system is equitable and accessible to all Oregonians - especially important for those who live rurally, working class citizens, and seniors.

SB 210 is the wrong direction for Oregon voters.

Thann you.
