

Submitter:

Riberta Estrada

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

As a senior, with difficulty getting around, being able to vote by mail is a lifeline for me. We have had vote by mail in this state for years with few issues. Both parties have not had issues with vote by mail until Donald Trump. To disrupt our voting process for one person will be a huge disruption for our state and a major financial strain on our state coffers.
