Response

Measure, Appointment or Topic: HB3197

Oregon's wine industry is struggling as tasting room sales are down. The Oregon Craft Brewery market led a nationwide revolution and the cider market has brought on an entire new ag sector to Oregon's economy. Why does this State constantly want to punish ag and business? I oppose HB3197 and so should you. It's just another bad idea for Oregon if we want to keep it strong for businesses.
