

Submitter:

Steve Hammerson

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I greatly appreciate David Brock Smith getting behind the End Vote by Mail movement that Ben Edtl, Steve Joncus, and Michaela Hammerson started back in November of 2024. Ending Vote by mail is a movement everyone can get behind. Our voting system is corrupt and not secure. Oregon citizens **MUST** trust the voting system.
