Measure, Appointment or Topic: SB243

Hon Committee members.

I'm am writing to state my opposition to this bill, along with any other legislation that would infringe upon my God given rights.

SB243 is yet another scatter shot bill of random anti rights nonsense that seeks to provide safety in the name of security but will provide neither.

Not one of the proposed sections of this bill have been successful in reducing crime or violence in other jurisdictions that have foolishly tried them.

Yet we, freedom living citizens will be forced to comply with these onerous and ultimately ineffective requirements should this poorly conceived piece of legislation be passes into law.
