SB210

Vote-by-mail has been working effectively in Oregon. It is an inclusive, user friendly, sustainable, and most accessible method of voting. To roll this back to an archaic in-person only method will severely impact voters turnout. I believe the effort to remove our state's tried-and-true vote-by-mail system is an effort to control election results and further impose the oligarchy we have seen taken over our country. I strongly oppose SB 210 for the sake of our state's democracy.
