I support in person voting and Voter ID. If you want to buy cigarettes you have to have ID, If you want to purchase alcohol you have to have ID, If you want to rent a home you have to have ID, If you want to collect social security, Welfare, Drive a car you have to have ID. How do you have a secure election if you don't know who's voting in it, If you don't know they live in Oregon, You don't.

I urge this bill to pass. Or at least bring it to the citizens to vote.
