Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I am writing in support of SB 210 which would require in-person voting with a government issued ID.

It is the simplest, most effective way to ensure a secure, fair and uncorrupted voting system. It will prevent fraudulent voting, ballot stuffing and ballot harvesting. It will ensure "one person, one vote".

It will bring back transparency and integrity to Oregon's voting system.
