SB210

I am adamantly opposed to this bill to take away Oregon's vote by mail. This bill would create unnecessary barriers to voting for seniors and persons with disabilities with no real benefit. Vote by mail is secure and reliable so it doesn't make sense to take that away from Oregonians. This is why we have one of the highest voter turnouts in the nation; why would we want to ruin that with no real benefit. Not only that, but it makes the whole voting system way more expensive as Election officials have to direct and organize in-person voting. I know the Republicans want to make it harder for people to vote so they stand a chance of winning in Oregon, but it's not going to happen. WE THE PEOPLE RESIST!
