

Submitter:

Amanda Nellis

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Oregon has a voting system that works for the people who live here. I enjoy getting my ballot at home where I have time to research individual candidates and issues I am less familiar with so my vote is better informed. I don't want to become a state that creates barriers to democracy. Let us all continue to vote by mail.
