Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I oppose making in person voting the standard method of voting for Oregon. Mail in voting is extremely important for everyone, and we already take proper precautions to ensure legal voters are the ones voting. Removing mail in voting directly hurts the lower class and people with disabilities, as it requires a method of transportation and the ability to take the day off to get to a voting center and wait in line and indeterminate time.
