

Submitter:

Kimberlee Streeter-Peaks

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Hardship for employed voters, voters who are homebound or lack transportation, voters who do not have childcare, elderly voters who are able to stand for long periods.

There has been very little to no evidence of voter fraud with mail in voting.

This is an attempt to suppress voting and should not be approved!
