SB210

I support SB 210 In person with a valid ID used to be the way of voting. I support this bill, Main in voting is corrupt and so is motor=voter. We need to cleanup the voter roles and make voting what it used to be. The party in charge (the anti-America American Marxist party) wants to keep mail in ballots and allow the corruption which they do to steal elections. I support in person voting, I enjoy standing in line with fellow voters. We need to take our country and our voting back to the people. I support SB 210.
