

Submitter:	RJ Aubert
On Behalf Of:	Self
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB210
To Whom It May Concern:	

I am writing to give my opinion on the above listed bill that is coming before you soon. I would like to keep our current form of vote-by-mail. It has worked for us Oregonians for a very long time.

I appreciate that we have had vote-by-mail available to us and that there have been few, if any, problems with Oregon's votes. Please do not take this option away from us! The older I get, the more I appreciate having this option available to me. Please fight for our right to vote as we have for years!

Most Sincerely  
RJ Aubert
