

Submitter:

Jessica Atalla

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Eliminating vote by mail equates to disenfranchising the working class who can't take time off work to spend hours waiting in line to vote on Election Day. I oppose this measure on behalf of myself and every working class Oregonian. We refuse to allow these fascists to take our rights and our votes away.
