

Submitter: Jeremy Milburn

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Voting by mail is an Oregon institution, and time tested. We have some of the highest turnout, and that makes our elections more representative of the will of the people. Any politician who wants to end vote by mail is trying to subvert that, and without clear evidence of widespread fraud, we must strongly oppose that!

Vote no on this terrible bill.
