

Submitter: Jen DiMaggio
On Behalf Of: Myself and my husband William Amos III
Committee: Senate Committee On Rules
Measure, Appointment or Topic: SB210

On behalf of myself and my husband William Amos please vote against SB 210. This bill will harm all Oregonians. This bill is meant to dismantle a system that has worked for Oregon for more than 40 years. Vote by mail is the best option for all Oregonians, unless the government is willing to make election days paid holidays and provide people with no means of transportation a method of getting to a voting location.

Thank you.
